About SkyView

SkyView is ranked among the top 20 public access courses in New Jersey, and in 2003 was voted "New Jersey's Most Scenic Golf Course" by the readers of PubLinks Golfer Magazine. The course layout presents golfers of all skill levels a challenging and enjoyable experience.

SkyView was designed by Robert McNeil, Golf Course Architect of the Northeast Golf Company.

The routing at SkyView is woven through the striking natural terrain of the site. Unique outcroppings of stone, grand sheer rock cliffs and long vistas to the surrounding valleys frame and define the movement of the golf holes.

These memorable features strategically and aesthetically engage the player's senses throughout the golfing experience.

SkyView also features a fully equipped clubhouse, the Eagle's Nest Grille, well stocked pro shop, putting green and driving range.

Your participation in this event, whether as a golfer or sponsor, will enable Marian Council 3801 to continue to support our worthwhile local Knights of Columbus charities.

We hope you can save the date and join us on May 6! Simply return the registration form and your check to reserve your spot or hole sponsorship.
